- Packaged in sterile flow wrap outers

HypaCover Sterile Dressings are of premium quality sterile wound dressings are made to meet HSE first aid recommendations and NHS standard. The unmedicated pad cushions the wound and absorbs any exudates. The sterile wound dressings provide initial protection from infection whilst en-route to hospital. The strong conforming bandage holds the dressing securely in place and helps the wound to heal, providing essential protection from possible infections. Each dressing is individually packaged in sterile flow wrap outer perfect for adding to First Aid Kits.
