KETTLES

DILUTIONS AND DIRECTIONS

Dilute 1 part **MERLIN C06 CATERING DESCALER** to 5 parts water. Brush the solution on to the surface to be cleaned starting at the bottom. Then thoroughly agitate the surface with a brush to remove loose dirt. Rinse off with water. For more stubborn tarnishing, the contact time may be increased or the product may be used more concentrated. Extra care should be taken when using neat material. For descaling kettles, urns and kitchen equipment, dilute 1 part **MERLIN C06 CATERING DESCALER** to 10 parts warm water. Leave in contact with surface for 30 minutes and rinse thoroughly. If need be, repeat the process for heavy scaling.

BUCKET

WET WIPING

N.B. Do not allow residue to dry out onto aluminium.

SAFETY INFORMATION

Keep out of reach of children. Causes severe skin burns and eye damage. Wear eye protection. Wear protective gloves. Wash hands thoroughly after handling. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN(or hair):** Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get immediate medical attention. Take off contaminated clothing and wash before reuse. Store locked up.

Contains Phosphoric acid.
