W09

DESCRIPTION

MERLIN W09 ANTI BAC HAND SOAP is an unperfumed anti bacterial soap that is pleasant to use and is mild & kind to hands.

USES

MERLIN W09 ANTI BAC HAND SOAP is suitable for all industries where a mild yet effective soap is required, including: engineering, garages, building trade, foundries, janitorial, hospitals, schools, textile, printing works, etc. but especially for the food industry and catering trade where a sanitising soap is essential.

DILUTIONS AND DIRECTIONS

Dispense **MERLIN W09 ANTI BAC HAND SOAP** onto hands, add water, work into a rich cream lather and rinse off.

SAFETY INFORMATION

Avoid contact with eyes. If contact occurs, rinse well with water.
