

Craftex Product Specification Sheet

HOT WATER EXTRACTION LIQUID

A low foaming, concentrated liquid, with a lemon perfume, for all 'water extraction' carpet cleaning machines where liquid is preferred to powder.

Superior to 'sticky foam shampoos' as it leaves no residue after the cleaning process and therefore reduces resoiling. Can be used with cold water.

PRECAUTIONS FOR USE

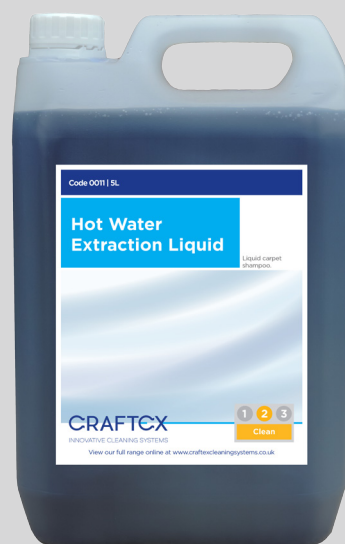

Test for colour fastness. Wipe off polished surfaces immediately. Use commonsense precautions when handling chemicals. Avoid contact with skin. Wash chemicals from eyes and skin immediately with plenty of water, if ingested drink plenty of milk or water, seek medical advice. Keep all products out of reach of children.

DIRECTIONS

Add to the solution tank 10ml 0011 per litre of hot or cold water. Use double strength on very dirty synthetic pile carpets. Can be pre-sprayed onto the carpet and left to penetrate (especially heavily soiled areas) prior to cleaning.

CLASSIFICATION

Aqueous alkaline liquid. pH 10.5

Size: 5L
Product Code: 0011
